

Junior Event Technician

ACLX is a leading provider of event production services based in Hamilton, New Zealand. Specializing in audiovisual, lighting, and technical support for events of all sizes, we pride ourselves on delivering high-quality, memorable experiences. As we continue to expand our operations, we're looking for an enthusiastic Junior Event Technician to join our growing team.

We are looking for a motivated Junior Event Technician to assist with the technical setup, operation, and breakdown of event equipment. This is an excellent opportunity for someone looking to start their career in event technology, working alongside experienced professionals to learn the ins and outs of audiovisual systems, lighting, sound, and more.

What you'd be doing in this role

Assist in the setup, operation, and pack down of audio visual equipment, lighting systems, sound rigs, and other technical event equipment.

- Provide on-site technical support during events, working alongside senior technicians.
- Test and ensure all event equipment is working properly before events begin.
- Troubleshoot and resolve minor technical issues during events.
- Maintain and store equipment properly, ensuring it is ready for the next event.
- Adhere to safety protocols to ensure equipment is safely installed and operated.
- Take on additional tasks as required, gaining hands-on experience and knowledge in the event production process.

You'll be a good fit if you have

- A genuine interest in event production, technology, and audiovisual systems.
- Basic knowledge of sound, lighting, or AV equipment is advantageous

- EWP unit standards
- Working at Heights unit standards
- Class 2 Driver Licence
- Full NZ Driver Licence - essential
- A relevant tertiary qualification
- The ability to learn quickly and adapt to new technologies.
- Strong attention to detail and problem-solving skills.
- The ability to work well under pressure in fast-paced event environments.
- Are team-oriented with excellent communication and interpersonal skills.
- Physically fit and able to lift equipment as required.
- Flexible work hours, including evenings and weekends, as events may take place at various times.
- Previous experience in events or technical roles is a bonus but not essential.

What we expect from you

- Excellent communication skills
- Ability to lead a team
- Calm under pressure
- Excellent time management skills
- Problem solver
- A passion for the events industry
- Proactively be able to self manage

Why join ACLX?

- **Training & Development:** Gain hands-on experience and training in the event production industry.
- **Career Progression:** Opportunities to grow and advance your career within ACLX.
- **Dynamic Environment:** Work on a variety of exciting events, from corporate functions to live concerts and festivals.
- **Team Culture:** Be part of a supportive and creative team that values innovation and collaboration.

If you're ready to start your journey in the exciting world of event production, send your CV and a brief cover letter to philippa@aclx.nz. In your cover letter, tell us why you're excited about the role and how your skills and passion can contribute to ACLX's continued success.
